

The Community Foundation of Washington County is thrilled to announce the establishment the Beth McKnight Delta Cotton Belles Endowment Fund at the Community Foundation of Washington County. Beth McKnight founded Delta Cotton Belles in 2007, after being diagnosed with stage IV Breast Cancer.

From promoting breast health awareness to providing clinic breast screenings and mammograms to the working uninsured and under-insured, to providing support programs and services for individuals with breast cancer, the Delta Cotton Belles has always adhered to a philosophy of flexibility and innovation to allow for new services and programs, always in response to the unmet needs of women and breast cancer patients within their target communities throughout the Mississippi and Arkansas Delta.

As Delta Cotton Belles enters its 10th year of caring and supporting individuals throughout their breast cancer journey and working to educate the community on the importance of early detection, the Beth McKnight Delta Cotton Belles Endowment Fund at CFWC will serve to provide resources to continue this work for the next 10 years and beyond!!!

To support Beth's legacy for generations to come, you can donate online at www.cfwashco.org or send your donation to the Community Foundation of Washington County at the following address:
